The CHEA Website provides the most comprehensive source of information on higher education accreditation. Links to all of the information in the CHEA Accreditation Tool Kit can be found on CHEA's Website, along with a wealth of other accreditation-related information.

Visit the CHEA Website for:

- Accreditation-related directories and databases
- Publications, fact sheets and letters on federal policy and accreditation
- CHEA's recognition policy and procedures and recent CHEA recognition decisions
- Information on combating degree mills and accreditation mills
- CHEA research and publications
- TheCHEA Almanac Online, a regularly updated information resource on accreditation in the United States
- 

A national advocate and institutional voice for self-regulation of academic quality through accreditation, CHEA is an association of approximately 3,000 degree-granting colleges and universities and recognizes institutional and programmatic accrediting organizations. For more information, visit CHEA's Website at [www.chea.org](http://www.chea.org)
